**Information required to produce plates**

Either, Gerber files e-mailed to [cosarnia@compuserve.com](mailto:cosarnia@compuserve.com)  
or send us the actual PCB which we will scan and return to you  
Size of plate required ie 18"x12", 18"x15" or 18"x17"  
Plate thickness required ie 0.75mm, 1.0mm, 1.2mm, 1.5mm and 2.0mm  
Thicker plates can be made by spot welding two plates together if required
